

User Stories

1. As an admin, I want to be able to generate default goals/habits for inspiration.
2. As a user I want to be able to intuitively set and track my goals/habits.
3. As a user I want reminders to help me stay on task.
4. As a user I want the option to make my progress private and personal.
5. As a user, I want to be able to show off my accomplishments.
6. As a user I'd like to be able to add my friends for accountability.
7. As a user, I want to be met with grace when not meeting all of my goals.
8. As an admin, I would like to have the option to remove users who are harmful to others.
